

Spices and Condiments catalog

About Us

At Goldbay International, we bring the vibrant flavors of India to the world, specializing in premium spices and condiments. With a strong commitment to quality, authenticity and reliability. We ensure each shipment meets the highest standards. Our customer-centric approach, efficient processes, and dedication to sustainability make us a trusted global partner, built on a foundation of transparency, integrity, and a passion for excellence.

From Source to You

1 Sourcing - Quality Produce

We carefully select the finest spices and condiments from trusted farms across India, sourcing at the peak of harvest for the best quality.

2 Market - Direct Sourcing

Our products are sourced directly from reliable open markets, ensuring freshness and authenticity straight from the farmers.

3 Warehouse - Storage

Raw materials and finished products are stored in controlled environments, undergoing rigorous quality checks to maintain integrity.

4 Processing Excellence - Quality Assurance

Our packaging adheres to FSSC 22000 standards, preserving product freshness and guaranteeing food safety

5 Packaging - Safe and compliance

Our packaging adheres to FSSC 22000 standards, preserving product freshness and guaranteeing food safety.

6 Transport - Secure delivery

Products are securely packed and shipped worldwide, ensuring product integrity and safety throughout the delivery process..

Private Labelling

Brand Name

We've expanded into private labeling, using our extensive expertise in exporting premium spices and condiments to build lasting partnerships with global brands. Our private labeling services empower businesses to strengthen their brand identity with high-quality, exclusive products. By focusing on freshness and superior quality.

We source only the best raw materials and implement cutting-edge production methods. With precise workflows and rigorous quality checks, we guarantee that your products are carefully crafted, delivering a premium experience that showcases your brand's commitment to excellence

Packaging Options

We provide flexible and high-quality packaging solutions designed to meet the diverse needs of our clients, offering eco-friendly pouches, glass jars, PET containers, and bulk options. Our custom packaging comes in various sizes, volumes, and quantities to ensure the safety, durability, and visual appeal of your products. With FDA-approved facilities.

We uphold strict food-grade standards. Additionally, we offer logo and packaging design services, allowing your brand to shine with low minimum order quantities. We make premium, custom packaging accessible to both startups and established brandsttle bit of body text
